Fill in the blanks in the lyrics

I've got some big news
The bank finally came through
And I'm holdin' the keys to a brand new Chevrolet
Have you been outside, it sure is a nice _____
How about a little test drive
Down by the _____?

There's a place I know about where the _____ runs out
And we can try out the four-wheel drive
Come on now what do you say
Girl, I can hardly wait to get a little _____ on the tires.

'Cause it's a good _____
To be out there soakin' up the _____
Stake out a little piece of _____
I've got the perfect place in mind.
It's in the middle of nowhere, only one way to get there
You got to get a little _____ on the tires.

As vocab practice...

I've got some big news
The bank finally came through
And I'm holdin' the keys to a brand new Chevrolet
Have you been outside, it sure is a nice night
How about a little test drive
Down by the lake?

There's a place I know about where the dirt road runs out
And we can try out the four-wheel drive
Come on now what do you say
Girl, I can hardly wait to get a little mud on the tires.

'Cause it's a good night
To be out there soakin' up the moonlight
Stake out a little piece of shore line
I've got the perfect place in mind.
It's in the middle of nowhere, only one way to get there
You got to get a little mud on the tires.
